

News From The Sunset Trail – June 15, 2007

Thanks for all the great feedback from RW's May newsletter. We are working hard to resolve the glitches that we encountered but it is back to the old style for this one. Our apologies to those of you who got more than one copy of last month's update. We have switched to a satellite server, hopefully avoiding that problem this time around.

Here we are halfway through June and summer is in full swing! 2007 has been a fantastic year for us so far. RW just returned from doing some filming in California after a full weekend of appearances: **Boise City, Oklahoma** on Friday night, where he headlined the community's Santa Fe Trail Days, and **Lone Pine, California** for a fabulous Saturday Sagebrush Serenade concert and dinner under the stars to benefit the **Jim and Beverly Roger's Lone Pine Film History Museum** www.lonepinefilmfestival.com. We want to thank all of the wonderful people who turned out with such enthusiasm to both events! RW is looking forward to returning real soon.

Don't forget that at the end of the month we will host the first of our three **Cowboy Adventures** here at **Clearview Ranch**. From **June 30 to July 5** a small group of special guests will join RW on exclusive rides into the backcountry of the historic **CS Cattle Company** www.cscattle.com, along the Santa Fe Trail, and of course here at our ranch! We've brought in our friends from the **Lazy K Bar Chuckwagon** in Hutchinson, Kansas to serve some of the most mouth-watering meals you've ever tried. Each evening will wrap up with cowboy coffee and dessert along with RW and friends singing and swapping stories around the campfire. As a special treat for Independence Day we will join the town of **Cimarron** as they host their **84th Annual Maverick Rodeo**, Parade and Dance.

The brochure & rate card for all three of the **Cowboy Adventures** are available on www.rwhampton.com and we still have a few spaces left for this *first* adventure so we are offering a **15% discount** to members of RW's fan club. Regardless of your current plans for the Fourth of July – come join us!

July is going to be a busy month for RW. Not only do we have the first ride I just mentioned but we are also hosting our first **National Day of the Cowboy** event. The week will start with a two-day horsemanship clinic with nationally known trainer **Kerry Kuhn** www.kerrykuhn.com. Individual attention and "Developing a Willing Attitude" will be the focus of this cowboy clinic geared to riders of all ages and experience levels. The clinic will be followed by a full schedule of activities on **Saturday, July 28**. Bring your horse and join RW and Kerry for a **National Day of the Cowboy Trail Ride** on the historic **CS Cattle Company** www.cscattle.com followed by a steak dinner and starlight concert here at RW's home.

RW will also appear one night, **July 14**, at the **Moreno Valley Cowboy Evenings** www.bobcatpass.com at Bobcat Pass near Red River, New Mexico. What wonderful food, people and entertainment! You don't want to miss this if you are in New Mexico that weekend.

Check out the updates, new photos, and schedule additions on the website: www.rwhampton.com. You can also find information about our final 2007 Cowboy Adventure, **August 29 to Sept 3** on the website or by emailing us at lisahampton@bacavalley.com.

We look forward to seeing you down the trail real soon!

Lisa and RW Hampton
