**U.K. RELEASE FOR R.W. HAMPTON'S AWARD WINNING CD  
'OKLAHOMA...WHERE THE WEST REMAINS'**

(Nashville, TN - March 27, 2009) Brian Ferriman, president of Savannah Music (USA) Inc. and personal manager of American cowboy entertainer **R.W. Hampton** ([www.rwhampton.com](http://www.rwhampton.com)), is pleased to announce that Hampton's current CD, ***Oklahoma...Where The West Remains*** ([www.rwhampton.com/music.html](http://www.rwhampton.com/music.html)), will be released on April 20th in the United Kingdom by Proper Music Distribution per Savannah Music's ongoing distribution relationship with the U.K.'s leading independent distributor. The award winning CD was named Album of the Year in the United States last year by both the Western Music Association and the National Cowboy & Western Heritage Museum. The release is the first for any Hampton CD outside the U.S.

A four-year project from conception to realization, ***Oklahoma...Where The West Remains*** is a monumental 33 track, one hour and eight minute journey in story and song recorded with the Enid, Oklahoma Symphony Orchestra to commemorate the 2007 Centennial of Oklahoma's statehood. Hampton and friends take the listener on a hundred-year musical and factual journey, visiting the Native Americans, Buffalo Soldiers, Cattle Drivers, Ranch Hands, Settlers and Seekers, Industrialists and Artisans, Cowboys and Characters that formed the fabric of the Sooner State.

R.W. Hampton can be counted among America's foremost cowboy entertainers. His wonderfully rich baritone voice has been captured on eleven CDs to date, including two cowboy gospel albums and one Christmas collaboration. But Hampton is more than just a gifted cowboy singer: he has a multi-faceted career, one that has seen him perform in a dozen Western movies, co-write and star in the one-man play, *The Last Cowboy*, narrate several national radio and TV spots, serve as the subject of a number of national print advertising campaigns and emcee several significant Western awards events. All this on top of being recognized eleven times by various Western associations for his singing and songwriting.

Hampton has a quality of genuineness about him that resonates when he's on stage, in person, or just through the words of his songs. For Hampton has lived what he sings about on ranches all over the American west, and the world of early mornings, hard work, rough horses, maverick cattle and new ranges fits him. After twenty years in the entertainment business, Hampton is still pure cowboy, singing about what he knows and loves best.

More can be learned about R.W. Hampton at his website. ***Oklahoma...Where The West Remains*** can be heard in its entirety at the music section of the website.
