

RW HAMPTON

R.W. Hampton is one of the leading Western Entertainers in America today. Blessed with a wonderfully rich baritone voice, R.W. has a quality of genuineness about him that resonates when he's on stage, in person or just through the words of his songs. For R.W. has lived what he sings about, and the world of early mornings, hard work, rough horses, maverick cattle and new ranges fits him. But R.W. is more than just a gifted cowboy singer: he has a multi-faceted career, one that has seen him perform in a dozen Western movies, co-write and star in the one-man play, *The Last Cowboy*, narrate several national radio and TV spots, serve as the subject of a number of national print advertising campaigns, and emcee several significant Western awards events. All this on top of being recognized twelve times by various Western associations for his singing and songwriting skill.
